

Pasture Walk

June 24, 2008 • 6 pm • Ohnemus Farms, 21392 G58 Highway Milo, Iowa

Now, more than ever, grazing management and feed cost control are critical to the cow-calf business!

Speakers

- Duane Ohnemus, producer
- Brian Peterson, Iowa grasslands conservationist, NRCS
- Joe Sellers, ISU Extension beef specialist
- Nick Morrell, NRCS, Indianola

Discussion Topics

- Tour of Ohnemus Farms grazing system
- Managing grass height
- Importance of water distribution
- Methods to extend grazing
- How are cow-calf production costs changing?
- Cost share available from EQIP, etc.
- Questions from producers
