Step 2: Open the zipped downloaded folder (located in the DOWNLOADS folder) by double "clicking" it and place the folder inside of the zipped folder on your DESKTOP.

STEP 3: Open the Multigroup Folder on the desktop and double "click" the SETUP.EXE file to install.

STEP 4: Once Installed be sure to enable Macros to allow the program to work.

If you have difficulties contact Garland at the Iowa Beef Center 515 294 9910
