

# Focusing on Forages: Grazing Series

Designed to help cattlemen improve grazing practices and forage management to optimize production, control costs, and enhance environmental resources.

Each session will run from 6:30 – 8:30 P.M. with a meal provided at 6:00 PM thanks to the Adair & Guthrie County Cattlemen!

Sessions are free, but call the local Extension Office to register & get farm addresses. Attend 1 or all 4 sessions!

## Monday, June 14 | Dave Deardorff farm, Wichita

Alternative Watering Systems – Shawn Shouse, ag engineer  
Plant ID and Management – Aaron Saeugling, agronomist  
Comparing Grazing Systems – Erika Lundy-Woolfolk, beef specialist

Scan this code  
and register  
online!
