

Presented by ISU Extension, NRCS and Jewell Enterprises

# Pasture Walk

Join us for a pasture walk focusing on fence and water improvements at Jewell Enterprises. Jewell has developed a managed grazing system that will teach you new tricks of the trade or enhancements to your operation. We will also discuss grazing rotation, cover crops, pasture cost shares, and other topics you have.

**Tuesday, June 25th**

**6 PM until dark**

2278 Madison Road, Decorah,  
IA \*Parking located in a hay field

**FREE WORKSHOP AND  
SUPPER**
